

# Name that B-K Singer Answers!

## B-K SINGERS

ICEE the cool lens Makes the competition cry	<i>Nathan Sloan</i>		
With a lens that's sealed and a space between That's just two inches high	<i>Eddie Cadena</i>		
ICEE the cool lens Is no fairy tale we say	<i>Mark Jackson</i>		
It is made to glow and our agents know How it keeps the heat away	<i>Martha Zamora</i>		
There must have been a patent in Our ACV down there	<i>Ron Naus</i>		
For when we placed it in the lens It sucked out all the air	<i>Jason Mendez</i>		
O' ICEE the cool lens Is as bright as it can be	<i>Doug Hagen</i>		
And our customers say it could work all day Without burning you or me	<i>Shaun Cuaron</i>		
ICEE the cool lens Works with any kind of lamp	<i>Justin Perez</i>		
Whether CFL or Halogen In places dry or damp	<i>Angel De La Torre</i>		
Down in the concrete In Tenaya or HP2	<i>Becky Carlson</i>		
With three set zones for contact time Choose the one that's right for you	<i>Frankie Buck</i>		
We ship it wrapped in Instapak Straight to the project site	<i>Lorena Lopez</i>		
And even though the lens stays cool The light is really bright	<i>Willy Tirtajaya</i>		
For ICEE the Cool Lens Installs easily in place	<i>Robby Mannon</i>		
Once your customers try they won't be shy To use ICEE everyday	<i>Lee Trevino</i>
