Madera, CA - August 10, 2009 - B-K Lighting is recognized as a Specified Manufacturer in the 2009 A|L Light & Architecture Design Awards issue.

Products from B-K Lighting were featured in not just one, but two designs selected for the sixth annual awards sponsored by A|L Magazine:

- AWARD: *Special Citation for Public/Private Partnership*
- PROJECT: *Avenue of the Arts*
- DESIGN TEAM: *Vitetta, Philadelphia, (Preservation Consultant), The Lighting Practice, Philadelphia, (Lighting Designer)*

More than a dozen Sierra Series™ fixtures now adorn the facade of the Chambers Wylie Church in Philadelphia.

The newly renovated Avenue of the Arts located in Philadelphia, Pennsylvania featured Sierra Series™ Floodlights with 70W PAR30 Metal Halide lamps on two building facades: the Chambers Wylie Church and the Union League Building.

- AWARD: *Commendable Achievement*
- CATEGORY: *Whole Building*
- PROJECT: *Hodgdon Powder Facility*
- DESIGN TEAM: *Derek Porter Studio, Kansas City, (Lighting Designer), El Dorado Inc., Kansas City, (Architect)*

This project featured Litestick Series™ Pathlights outside the new administrative spaces for an industrial facility in Herrington, Kansas.

The Hodgdon Powder Facility design was also awarded the 2008 IESNA Illumination Design Award.

"At B-K Lighting, we take pride in designing and manufacturing quality, enduring products," said Douglas W. Hagen, President and CEO of B-K Lighting. "To know, our fixtures are featured in one award winning project is wonderful, but to learn we are associated with two A|L Design Award winners is truly gratifying."

The A|L Light & Architecture Design Awards recognize and reward excellent lighting design within the specific criteria relevant to four distinct categories including residential, interior, exterior and whole building). Winning projects are published in the July/August 2009 issue of A|L and are featured on the magazine's website at www.archlighting.com.

ABOUT HANLEY WOOD

Hanley Wood, LLC, is the premier media and information company serving housing and construction. Through four operating divisions, the company produces award-winning magazines and Web sites, marquee trade shows and events, rich data and custom marketing solutions. The company also is North America's leading publisher of home plans. Hanley Wood Business Media (Washington, D.C.), publishes 30 award-winning residential and commercial construction titles, including Builder, Remodeling, Custom Home, Concrete Construction and residential architect. Hanley Wood Business Media also offers the construction industry's foremost collection of websites, including Builder Online, Remodeling Online, and ebuild, as well as the largest collection of house plans online through eplans.com and Dream Home Source. Founded in 1976, Hanley Wood is one of the ten largest B-to-B media companies in the United States. It is owned by affiliates of JPMorgan Partners, which uses CCMP Capital Advisors to manage this investment.

ABOUT B-K LIGHTING

Since 1984, B-K Lighting has been dedicated to providing the lighting industry with the highest quality, most innovative and fairly priced outdoor lighting fixtures available. B-K Lighting manufactures standard and custom fixtures for architectural and landscape lighting including path, sign, area, flood, recessed building mounted, and in-grade applications. B-K Lighting products are installed in high-end residential and landmark applications around the world.

QUALITY, SERVICE, INNOVATION, and VALUE all add up to make B-K Lighting the number one choice in outdoor lighting. B-K Lighting has a long history of supporting green manufacturing. As members of the USGBC (United States Green Building Council) and IDA (International Dark Sky Association) they have led their industry in providing earth-friendly designs and manufacturing concepts.
